

CONFERENCE ON LITERACY
KONFERENCA O PISMENOSTI
LJUBLJANA 2026

How to Use the Conference Programme

The programme is currently **available through your ConfTool account**. It provides several ways to browse, search, and personalise the schedule.

Accessing the Programme

1. Log in to your **ConfTool account**.
2. Open the programme via your web browser on a computer or mobile device:
Conference Programme (<https://www.conftool.pro/felaconference2026slovenia/sessions.php>)
3. The main programme page displays all conference sessions and presentations.

Viewing the Programme

You can view the schedule in different formats by selecting one of the available options:

- **List View** – displays sessions in a list format.
- **Grid View** – displays sessions in a grid layout.
- **Timeline View** – shows sessions chronologically throughout the day.

You can also jump to a specific conference day by clicking on the date buttons.

Filtering Sessions

To find relevant presentations more easily, use the dropdown filters at the top of the page:

- **Filter by Track or Type of Session** – browse presentations by submission type or conference track.
- **Filter by Session Topic** – display only presentations within a selected topic area.

Displaying Presentation Titles

Click **Show Presentations** to reveal individual presentation titles within each session. This provides a more detailed, comprehensive view of the programme.

Searching by Author or Title

The agenda includes several search options:

- Click **Authors** to browse presentations by the author's name.
- Click **Titles** to browse presentations by the presentation title.
- Use the **search box** in the upper-right corner to search directly by author name, presentation title, or specific keywords.

Creating Your Personal Schedule

Use the **My Agenda** feature to build your own custom conference schedule. Add the sessions and presentations you plan to attend and access them later in your personalised agenda view.
